

# DESIGNER™ SERIES

## CONCEALED FASTENER SINGLE-SKIN METAL PANELS

### DESIGNER™ SERIES 16" FLUTED PANEL

*The Designer™ Series 16" Fluted Panel combines a clean, elegant design with the toughness of metal. The panel features a continuous rib design with a hidden sidelap where the panels join together. The ribs create interesting shadow lines along the length of the wall. The panel legs are 1¾" deep, allowing ample space for rigid board, blanket or batt insulation in the cavity.*

### PRODUCT SPECIFICATIONS

**16" FLUTED PROFILE** • 4" wide flutes, nominal 3/8" deep with a 1¾" deep leg

**WIDTH** • 16" for fluted

**16" FLUTED LENGTH** • 5'-0" to 35'-0"

**EXTERIOR FACE** • Smooth as standard G-90 galvanized and/or AZ-50 aluminum-zinc coated steel in 24 and 22 Ga.

**STANDARD EXTERIOR** • Full-Strength 70% PVDF Fluoropolymer Coating or Siliconized Polyester Coating

**FINISHES & COLORS** • Please see reverse side for all available colors. Please inquire where order minimums apply.
