3. Metal Substrate

For color suitability, testing codes data and pricing, contact your local representative or visit metlspan.com for more information.

Pricing varies depending on colors, quantity and gauge. All colors shown are approximate to actual finish colors.

Colors shown are for preliminary selection only. **Printed colors can vary from actual painted material, request a metal color chip prior to a final color selection. Dark colors may create excessive thermal stress and should be evaluated for low temperature applications.** Color warranties vary based upon color. Contact Metl-Span for full warranty information.

Descriptions and specifications contained herein were in effect at the time this publication was approved for printing. In a continuing effort to refine and improve products, Metl-Span reserves the right to discontinue products at any time or change specifications and/or designs without incurring obligation. To ensure you have the latest information available, please inquire or visit our website at metlspan.com.

Metl-Span has 61 listings with (CRRC) Cool Roof Rating Council. Visit coolroofs.org to view color listings.
